**A Charity Drive**

**January 05, 2021**

Metas Adventist College has always been a pioneer in taking up its social responsibilities. In these difficult times of pandemic also, Metas Adventist College has come forward to help the needy. "Charity begins at Home" keeping this quote in mind and to acknowledge the contribution of the social workers during the times of COVID-19, Metas Adventist College decided to provide a helping hand to these corona Warriors. The purpose of having this Charity Drive was to felicitate the people who had stood with us in challenging times.

Metas Adventist hospital is a very special place for us all as this is the place where we were able to provide our services during the challenging times of COVID 19. So this place will always have a place in our hearts. We were able to feel connected to every of the employee there regarding their wants and needs. We decided to donate blankets to our D grade staff of Metas Adventist hospital. Since it was winter times and that could have been the best gift to give away. We considered this as a generous gift to them so that they can fulfill their daily needs. . It was a small price to pay as to be able to see the smiles

We have bought back to them was truly a priceless moment. We decided to distribute 100 blankets to our staff. On 5th January 2021, we decided to visit their residence and distribute the blankets. Mr. Ranjit Prakash, Ms. Miti B Dhupia and the volunteers from the college Side, accompanied by Mr. Sanjit Prakash visited their houses and distributed the blankets to all.

The team spent a little over two hours with the staff of Metas Adventist College before saying goodbye to them. It was indeed a very satisfying experience for the students as they could bring smiles on people's faces however for a brief period. They realized that one must contribute and understand his/her social responsibilities towards society. The visit encouraged everyone to do more for the needy and help them. The experience was very memorable. It was an unforgettable task.
